8th Annual Golf Tournament Fundraiser for Matthew

Sunday, October 15, 2017 • Timacuan Golf Club, Lake Mary, Florida • 407-321-0010

MATTHEW'S STORY

Matthew Walker is the son of Jonathan & Cynthia Walker of Heathrow, Florida. He is one of three children, Morgan is 14 years old and Adam is 9. Matthew is now 11 years old. He is 1 of approximately 40 known males in the world born with a rare neuronal migration disorder of the brain called Subcortical Band Heterotopia. This disorder is one in which the white and grey matter of Matthew's brain are disorganized causing the communication pathways of the brain to be challenged, therefore causing significant impairment in his physical and cognitive abilities. Matthew is unable to walk or speak and is dependent upon his family

and professionals to complete his activities of daily living. Matthew has a rare form of epilepsy known as Lennox Gastaut Syndrome. Matthew will experience tonic-clonic (grand mal) seizures and head drop events that are potentially fatal but are currently being managed to some degree by an ongoing change to his medication regimen. The past year has presented additional challenges for Matthew. A Vagus Nerve Stimulator (VNS Therapy) was surgically implanted for seizure control, unfortunately has not had much of an impact in decreasing seizure activity. Matthew will undergo within the year a corpus callosotomy which is a surgical procedure of the brain. The Corpus Callosum helps the hemispheres share information, but it also contributes to the spread of seizure impulses from one side of the brain to the other. A Corpus Callosotomy is an operation that severs (cuts) the corpus callosum, interrupting the spread of seizures from hemisphere to hemisphere. Matthew has been enrolled at Wicklow Elementary of the Seminole County Schools Systems for several years. This past year Matthew did not attend school due to his frailness related to seizure activity. Seminole County Schools Hospital Homebound Services made available a teacher to visit with Matthew at home two days a week for one hour each visit to help him reach his ultimate potentials. The Annual Golf Tournament Fundraiser was created to assist financially for the care, special facilities, and medical attention that Matthew's ongoing disabilities require.

Last year's Golf Tournament Fundraiser was a great success! Special thanks to the following and the countless other organizations, families and friends that have given their hearts out to Matthew:
