Purchase of a Firearm

Federal Requirements

Anyone purchasing a firearm from a licensed firearms dealer must complete a Bureau of Alcohol, Tobacco & Firearms [Form 4473](#) (Firearms Transaction Record). This form will be maintained by the dealer.

A firearms purchaser must, under the permanent provisions of the Federal Brady Law, also undergo a National Instant Criminal Background Check System (NICS) check, which will be performed by the firearms dealer. The check will indicate to the dealer whether or not the purchaser's background allows for the person to complete the purchase of the firearm. If the check disallows the sale for no warranted reason, there is an appeals process the purchaser can pursue to receive the necessary clearance to complete the purchase.

For questions regarding federal regulations, please contact the Regulatory Office of the Bureau of Alcohol, Tobacco and Firearms, St. Paul, MN, (651) 726-0220.

§ 23-7-8.2 Duration of permit. The permit to carry a concealed pistol is valid for a period of five years from the date of issuance.

The federal law provides that such authorization shall not supersede State laws that: (1) permit private entities to prohibit the possession of concealed firearms on their property; or (2) prohibit the possession of firearms on State or local government property. The law also excludes from the definition of "firearm" any machine gun, firearm silencer, or destructive device.

The LEOSA was amended in 2010 to extend the coverage to include law enforcement officers of Amtrak Police, Federal Reserve Police and law enforcement officers of the executive branch of the Federal Government, along with military law enforcement personnel. The aggregate years for retired officers was reduced from fifteen to ten.
