Roll Call

Pfile: Chair, absent, Bixler Vice chair:, present Trustee Diehl: present, Jesse Baughman,  
fire chief, absent,

Guest: Frank Pavliga;

Jeffrey opened discussing his attempted contacts with various surveyors. Frank said he  
would see if he could get more providers.

Frank did share proposal, trustees to review. If approved, a deposit of \$ 2000 will be  
required with signed contract.

Frank discussed the \$17,700.00 covering all services, with an additional fee for a  
rendering of the project.

Jeffrey said he sees no reason they could not move ahead with contract. Chris reviewed  
that it included, mechanical engineer and electrical engineer.

Frank said Structural drawings would be closer to \$80,000.00.

Chris reviewed they would not be able to move forward until a ballot issue passed. All  
agreed.

Soil Testing agency will need to come out to check land for ability to use the Township  
property at the present location for the project.

Frank shared soil testing company name with Chris to begin soil testing if available.  
General discussion about future meeting and actions, possible need to purchase land if  
another site is necessary, and grant money.
