\* **MEETING – DECEMBER 9<sup>th</sup>**

Please join us for an evening with **Mack Canada Inc.** along with their Toronto region dealers. Chairing the proceedings for Mack will be Mike Gomes, District Service Manager - with Steven de Sousa, Power Train Sales Manager, making the keynote presentation.

We are anticipating the usual informative and lively performance from Mack as is their norm. The evening will also see some activities in keeping with the season.

**Apprenticeship Awards:** The **Mack** provided awards and the ATS provided cash for tools will be presented during this evening.

**Seasonal Charity Drives:** This is of course that special giving time of year, when we ask everyone

in attendance to bring along a contribution for our two drives:- Remember to bring along your contributions of Cash, Canadian Tire money, or new unwrapped toys for the **Toys-For-Tots** charity which will be conducted by Peel Police; and bring Non-perishable Food for the **Food Bank**. Let us help both these organisations to brighten up Christmas a little for those less fortunate.

**Note:-** A full agenda with a larger than usual attendance anticipated, so please make sure to arrive early to ensure a seat for the **dinner at 6:00 PM. Prompt!** Refreshments purchasable from 5:00PM. Extra parking at the rear of the building.

**Bring along a friend or colleague who you think would be a welcome addition to our ATSSA organization, to attend this meeting and to join us for dinner.**

## MEETING – NOVEMBER 11<sup>th</sup>

A very nice evening was had with **Tico of Canada Intermodal Equipment Solutions Inc.**, quarterbacked by Aidan Bolger –President. Tico had an unusual birth 30 years ago wherein they started building their own tractors for their own fleet before opening up to retail in 2007. Aidan conducted a review of the very impressive qualities and benefits of their shunt trucks. Highlights included the widest door opening at 27” in the industry, with door heights at 68 ¼’ and available 72 ¼”; plus a driver training seat, complete with a seat belt. Walter Coupland, Director, then reviewed their ‘Grip One Snow Traction Belt’ as perfect for shunt tractors and as a replacement for chains. Todd Hudson, Director, offered his portfolio on Financial Services for the trucking industry. Tico support at the Head Table was rounded out by directors: Margarete Szamotulska and Peter Dragfly. For more information please contact Tico at: 905-267-0207.

Thanks again to Aidan Bolger and **Tico of Canada** for an interesting evening.

**50/50 Draw:** John Rutkay of DiCAN Inc. won the 50/50-and gallantly turned his winnings back in to add to the total. All proceeds were directed to the young family of Nathan Diek, a technician at Sheehan’s Truck Centre in Burlington, suffering from a severe form of the flesh eating disease. Nathan has had part of a leg amputated and tissue removed from an arm and abdomen-(Latest is encouraging and has Nathan on the long road to recovery with use of a wheelchair, etc.).
