To whom it may concern,

I had the opportunity to work with Remembrance Ranch this past summer 2014 when they attended in our horse program at YMCA Camp Manitou-lin. The impact on the lives of the boys in the program was amazing. I was able to see the boys working through issues and breaking down walls. The program gives a chance for these boys to get outdoors, make friends whether it's with each other or with the horses. It's a great program and I look forward to having them back out at our facility summer 2015.
