## WATER RATES

Due to Rural Water District #4, the City's water supplier, raising their rate for water sold to the City, the rate you pay per 1,000-gallon usage will be raised \$0.25 per 1,000 gallon effective January 1st and will show on your February bill.

## Cox Communications

Cox Communications will be in Westmoreland installing fiber optic lines in the existing utility easements. Most places will be above ground on Everygy utility poles and in some areas of town they will be placing underground. Watch for flyers/door hangers for updates from Cox Communications.

## SNOW REMOVAL

With winter approaching, city staff asks that during a snow storm all vehicles are parked off of the streets to allow the clearing and treating of the streets.

Property and business owners are also responsible for clearing the snow off of sidewalks along their property as per city ordinance.

**Thank you for your understanding and cooperation!**

**The City office will be  
CLOSED
