

Dear Friend,

On Sunday, September 23<sup>th</sup> the Rotary Club of Farmington will host the 11<sup>th</sup> Annual Farmington Rotary 5K Race which will be held for the first time on the trails of Tunxis Mead Park. We are asking for your financial support for this event which helps to raise money for the charitable work of the Rotary Club of Farmington.

The race course is on trails along the beautiful Farmington River. It will finish in front of the Farmington High School Boathouse. Runners will compete for age group awards and prizes. The Lee Chisholm Award will be presented to the first Farmington finishers, male and female. The FHS Crew team and their boats will be there too. The public will have an opportunity to see the crew boats up close and maybe try their hand at rowing!

This promises to be a fun day and a perfect event to highlight your business and your involvement in the community.

Attached is a listing of four categories and how your business will be highlighted at each level.
