August 20, 2018

To the Sherburn and Welcome City Councils,

The department logged 162 calls for service in the month of July. This brought the total for the year to 1,253. The department logged 1,202 in 2017 and 1,128 in 2016 for the same reporting period.

Response time average for the month was four minutes and 35 seconds. This is right in the average range for the department.

The web-site had 2,728 visits in the month of July. Our average is just over 2,800 visits per month.

Welcome festival was in July and went fairly well. We had a couple of incidents, but for the most part it was a successful weekend.

Fall sports practices have started up and school is just a couple of weeks away. We will be having a greater presence at the school this year in an effort to interact with the students more in non-enforcement ways. Officers will have lunch with the students at different times and we will also attend other school activities during the day as they allow. We hope this helps the new officers to meet someone of the students as well as the faculty.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".

Brad L. Hughes
