Dear St. Joseph's Lectors,

Thank you for sharing your time and talents with the parish! The monthly lector schedule is based on days, so a Saturday 31st and Sunday 1st would have lectors from each corresponding month. Daily readings for all masses (including Sunday readings) can be found on the USCCB website (<https://bible.usccb.org/readings/calendar>). If you are not able to lector as scheduled, please find a substitute from the list.

Please reach out to me if you have scheduling suggestions or requests in the future. If you know of anyone who might be interested in becoming a lector, please let Michael Pekar know so they can be trained & added to our lectoring rotation.

Thank you,
Cari Stumpf
