Emergency Community Support Fund (ECSF)

– Community Program Application

COVID-19 is top of mind for everyone and is affecting the way we all support those who are vulnerable in our communities. This pandemic has created an increase in demand for local services, shortages in supplies, and disruption in service.

United Ways and Centraides in Canada are pleased to provide support to local community service organizations that provide rapid, emergency community support to vulnerable community members. Applications are made available and reviewed locally. Our aim is to make this application process simple. The application should take 15-30 minutes to complete.

These funds are being distributed as part of Employment and Social Development Canada's (ESDC) Emergency Community Support Fund (ECSF).
