Company

Custom metal fabrication and installation, with a strong and credible reputation with services ranging from structural, architectural, ornamental and custom metal and sign fabrication. Also offering design and engineering solutions. This company is growing and has lots of opportunities!

Job Duties

- Sets up and operates power shear to cut metal objects to specified dimensions and angle (i.e. plates, sheets, slabs, billets, or bars)
- Positions & clamps stops and side guides to set length and angle of cut, using rule, built-in gauges, or template
- Lifts workpiece manually or by hoist or crane to machine bed or roller table and positions it against side guide and end stops
- Starts machine which clamps workpiece and lowers blade to cut metal
- Lays out cutting lines on metal, using rule, square, or template when shearing single pieces
- May tilt bed, blade, or install fixtures to shear, bevel, or trim fabricated items
- May set up and operate shear on production line in which shear is fed by conveyor, such as automobile frame line or rolling mill
- May operate portable shear to cut sheet metal
- May inspect work, using tape, compass, gauge, template, or micrometer to verify dimensions

Requirements / Candidate Profile

- **Previous experience operating power shears in a manufacturing environment**
- Ability to read and follow blueprints, instructions
- Excellent attention to detail
- Ability to accurately measure and cut using a variety of tools and gauges
- Ability to communicate effectively through oral and written communication
- Capacity to operate all necessary equipment and/or machinery to perform job related tasks
- Experience performing job tasks to meet project deadlines
- Ability to follow procedures, anticipate work needs and follow through with minimum direction
- Work safely, follow safety rules and report unsafe working conditions and behaviour
- Punctual, dependable, and reliable – regular attendance is important and expected
- Valid driver's license required
- Strong work ethic

How to apply

To apply please submit resume to HRQR@rnc.ca for pre-screening and consideration. Include a note indicating why you are a good fit for this position.
