

The Guest House, 1 bedroom apartment

Old Naples Historic Home: 131 Broad Avenue South, Naples, Florida

Terra Palma
1912

The Guest House, built in 1942, has been completely remodeled to the highest standards. It is ideally located, just 600 feet west to beautiful Naples beach and an equally short walk east to 3rd street shopping and restaurants.

The Guest House has 720 square feet, a private front patio facing the palm garden, and rear access to the butterfly garden, heated swimming pool, hot tub and ample parking. Features include a full kitchen with granite countertops, a marble top breakfast counter, washer and dryer, central heating and air conditioning, a marble tile bath with shower tower, LCD TV with DVD player, CD player and WiFi computer access. A color printer is available. It is fully equipped for vacation enjoyment.
