

El Santuario de Los Pobladores (The Sanctuary of the Settlers) is a committee of Our Lady of Guadalupe Parish established for the purpose of creating a magnificent arts center, an "adobe" sanctuary. The labyrinth is to be constructed out of adobe, the ancient earthen building technique brought to the San Luis Valley by the early settlers to this part of Southern Colorado, and will be built next to Our Lady of Guadalupe Church in Conejos, the oldest parish in Colorado. Currently we are promoting an adobe campaign to build the wall which will surround the chapel. Anyone wanting to purchase an adobe in memory of a Loved One or someone special, please contact the church office at 719-376-5985. We will gladly accept any donations, and a contribution of \$100 or more will entitle you to a memorial plaque inscribed with your information. We can also arrange for payment by installments. The following list of names have purchased and/or pledged their support of this undertaking, & will be updated as the project moves forward.

MASS READING
RELFECTION

Feb 9, 2020

Reading Is 58: 7-10
[Parity]

The unknown prophet (composer of Is 56—66, called Third Isaiah) addresses Hebrews back from exile in Babylon. In their joy over newly found freedom, they have expected too much.

God's people must seek something deeper and more genuine than just the experiences of being free. The writer goes into details of sharing, with the promise (also directed to us) that "then... your wound shall quickly be healed.

2nd Reading 1 Cor 2;1-5
[Power of the Spirit]

The Christian philosophy of life is defined as a sharing (First Reading), especially of self, a sharing that hurts and can be a cross ("Jesus Christ, and him crucified" as your example!). This is a kind of "wisdom" that many do not accept.

Paul is aware that there are members in the congregation of Corinth who do not accept it either. Hence, he emphasizes that "faith [rests] not on human wisdom but on the power of God." We should pray for it constantly.

OUR LADY OF GUADALUPE PARISH

FIFTH SUNDAY IN ORDINARY TIME

We are indeed the light of the world-but only if our switch is turned on.

John Hagee

quotation

THEME: Who Are We ?

In a daily life, we must be concerned about priorities. First things first! Prayer in the family and worship even in an expensive and luxurious church building are wonderful but not enough. A congregation as such must be socially concerned; otherwise it is not like salt in the community, not a city seen by all, not a light to those in town who walk in darkness. Two Sundays ago (3rd Sunday), the idea of discipleship and ministry by all was brought out. Today's Gospel suggests the same idea, but now by using metaphors: salt, a city set on a hill, and light.

The First Reading explains what our approach should be. Remove a few things out of your midst (oppression, malicious speech) and share whatever you have. "Then your light shall break forth like the dawn."

What are the priorities of your parish council? Is its first concern worship, some more expensive items for the sanctuary, and improvement of parking lot? But are there poor and deprived in your community? What is done for the old and lonely?

Sharing time and yourself can be as important in our depersonalized society as sharing bread. It is the mark of Christians worth their salt, and their "justice shall endure forever" (Responsorial Psalm). What can you do? If you are not a member of your parish council, you are a constituent!
