## Payments

The package you have obtained is for registration in our Childcare facility, which we offer a variety of services to meet the needs of families. Payments are to be made out for the first of each month prior to receiving care in the form of post-dated cheques. We are closed during the Christmas holidays between Christmas and New Years as well as any Stat holidays (which we include Easter Monday). If you are registering your child in our School age Care program, please be aware that we are not offering full-day care during School Early Closures due to a restriction in the number of children we can have on site at one time. The facility will provide full-day care to these children on In-service Days, during the remainder of Christmas Break (except between Christmas and New Years) and one week of Spring Break only, however, it will be an additional rate of \$20.00/day above the regular monthly after school fee of \$430.00/month. There are no pro-rated fees based on closures. Please note that you will be required to pay for your space throughout the year if you wish to take holidays at anytime and wish to maintain your space. This includes the summer months and you will be billed based on the full-time monthly fee of \$750.00 – maximum of 9 hours care per day. If your child is transferring from the daycare program to the school age care program within our facility, you will be required to maintain your current space throughout the summer months in the daycare prior to transferring programs to ensure you have a space in the fall in the new program. Program transfers occur September 1<sup>st</sup> annually. Kindergarten children may be placed in the 3-5 daycare room or school age room at staff's discretion. We are only offering drop off's (by pre-arranged agreement with the owner only as we have limited space for early drop- off's). Pick-up's will be provided for McGowan, Aberdeen, South Sahali and Summit between 2:40-3:15pm only. We cannot be at all of the schools at the same time for drop-offs and pick-ups and therefore there may be unsupervised times between the time that school is dismissed and when we arrive to pick-up the children from our meeting place or the time that we drop-off the children before school (drop-offs start about 8:00am for those with special permission). The Bus and Car leave the center at 7:55am for Drop-off's. Optional drop-off fee is 140.00/month per child (spaces are limited and by permission only). This program is a monthly paid program, however, you may use the days you require care.

I, \_\_\_\_\_ will adhere to ensuring that I have given postdated cheques (unless other arrangements are made) for the appropriate space I am booking for my child, \_\_\_\_\_ to attend daycare. In the event that the registration needs to be terminated by either party, I understand that I, or the daycare facility will need to give one "full" months written notice (prior to the first of the month that you want to end care....eg: if you no longer need care for March then you would give notice before February 1<sup>st</sup>). I understand that if I give notice after the first of the month, that I will be responsible for two months payments (using the example above if you give notice on February 1<sup>st</sup> or later you would pay for February and March). However, the daycare reserves the right to terminate the contract immediately should there be grounds for dismissal at the owner's discretion. In the event that the facility cannot provide service for more than two consecutive weeks due to an extreme nature (ie. gas, water, sewer or hydro problems, flood, relocation, pandemic outbreak, etc.) at the owner's discretion, classes will either be refunded or rescheduled. This does not include Christmas Break or any other closures such as Sick Days, Emergency Closures due to service interruption, In-service Days or Statutory Holidays. I am also aware that should the centre decide to change the rates, there will be two month's notice provided. I understand that there is a charge of \$30.00 in the event of an NSF cheque and it will need to be paid in cash along with the monthly fee immediately. I also am aware that if my payment is not made on the 1<sup>st</sup> of the month that I will be charged \$20.00 for each day it is late past the 1<sup>st</sup> of the month in addition to the regular fee. I understand that if I do not call the center or text 250-319-8586 before 2:15 on the day of care and notify them that either a parent or someone else will be picking up my child or that my child is absent from school or away for any other purpose that I will be charged a \$15.00 pick up fee. This fee is only due to ensuring that we are not waiting for a child and holding up all other pickups at the other schools when I child does not need pickup. I also understand there is a late fee of \$20.00 per quarter hour past closing as explained in the policy and procedure manual. There will be a \$300.00 non-refundable deposit collected for any space that will not occupied immediately. This deposit will be credited towards the first month's care. Again, this is non-refundable and is separate from the annual non-refundable deposit of \$50.00.

***Fees are as follows and made out to: Creative Beginnings***

**There is also an annual \$50.00 fee per child payable on the date of registration and then the 1<sup>st</sup> of July annually for as long as my child attends this facility. This fee is non-refundable and is considered a registration fee, which is partially also used towards extracurricular crafts, expenses and special occasion gifts. Post-dated cheques will be collected from July 1<sup>st</sup> of the current year to June 1<sup>st</sup> the following year, annually.**

## **TRANSPORTATION CONSENT**

From time to time we do field trips with the children in our center. We also require the use of our van/car and facility bus for transportation during the school year. The method of transportation we use here within our center is either walking, using the city transportation or our facility bus/van/car. By signing this form you give Creative Beginnings permission to take your child on our bus/van/car and/or the city bus on field trips or for drop offs and pickups before or after school. Only those holding a class 4 driver's license will drive our facility bus and those with a full class 5 will drive the van/car. Just as on city buses, car seats are not permitted; however, children on the bus will be riding with the correct staffing ratio as required by licensing. Children transported in the van/car, will use either your car seat or ones we have depending on availability. I, \_\_\_\_\_, give my permission for my child, \_\_\_\_\_ to ride the facility bus/van/car or city bus for drop off and/or pickup from school or on field trips and understand that car seats/seatbelts are not permitted on buses but will be used in the van/car as the law states.
