PER CAPITA PAYMENTS DUE...

Each year the Presbytery, Synod and General Assembly assess our church a Per Capita fee for every member of the congregation. The Per Capita fees are essentially dues for the services received from these governing bodies of the Presbyterian Church.

For 2020, First Presbyterian's assessment is **\$47.00** per member, which the church pays regardless of how much is collected. Please take **\$47.00** times the number of church members in your family and send that amount in a separate check made out to First Presbyterian Church, with "Per Capita" in the memo line.

The difference between what First Presbyterian owes and what is collected from the congregation will come out of the church budget. Thank you for taking care of this so that the church can take care of its many other budget needs.

HELP NEEDED FOR THE BANQUET...

The Mission and Outreach Committee is looking for volunteers to assist with "The Banquet" lunch on **Saturday, February 15th** at Trinity Lutheran Church (10 volunteers needed to prepare, serve and clean-up; estimated cost of \$625 to provide 200 meals). We are also looking for people to provide cookies or bars. A sign-up sheet is in the Narthex.

Donations to help defray costs may be dropped off at the church office anytime and note "Banquet" in the memo line of your check.

SAVE THE DATE:

"The Banquet" Dinner

Thursday, October 1st at 4:00 p.m.

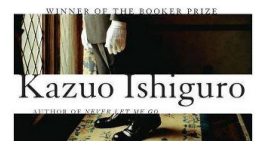

30 volunteers needed: estimated cost of \$1,250 to provide 450 meals

BOOK CLUB...

The next book club will be on Thursday, February 27th at 1:30 p.m. in the Parlor. The book is *"The Remains of the Day"*, a Nobel Prize winning novel by Kazuo Ishiguro. It is about an English butler and his reflections on his career.

PASTOR LEANNE'S MESSAGE...

We need to talk...

Ugh! You know the sinking feeling you got as a kid, when a parent opened the door of your room, and said, “we need to talk”? Or, when someone you were dating broke a moment of silence and introduced a new conversation by saying, “we need to talk”?

Well, this isn't like that. But, we need to talk. For over a year, the leadership of this church has been praying, analyzing, thinking and dreaming about the church we want to be. We have had frank conversations about the history of the church, about general understandings of the life-cycle of a church, about the plusses and negatives of the church as it now exists, and about the hopes and obstacles between us and who we hope to be. All of those conversations have been bathed in prayer—and in response, many of our committees have been trying new things, brave things.

But lately, I have been having the feeling that we need to expand such conversations to make sure all voices are heard, all dreams shared, all fear addressed, and all possibilities are explored. We need be sure that there is congregational buy-in—genuine whole-family support—as we seek the discernment of God.

It is clear to me that our next decade is critical—and that we have to free ourselves from the way things have always been done, adopt some new attitudes and try some new behaviors. We need to talk...

What kind of church have we been?

Do our calling and identity need some tweaking in order to meet the needs of the future?

What kind of church are we becoming? Is that who we want to be?

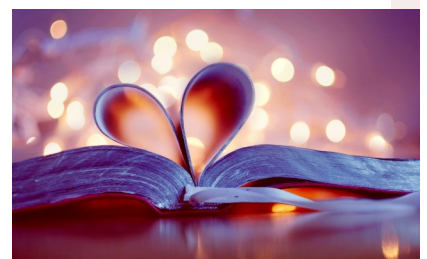

How in the world do you measure “success” for a church? Bigger numbers? Financial wellbeing?
Community status? Or something else?

Are we a success right now?

I invited you to join me., after Sunday morning worship in the Parlor for some hopeful, heart searching conversations. Every Sunday, the topic of the day will be listed in the bulletin. I am eager to hear from you—and to get feedback from visitors. Come and join me.

We need to talk.

Leanne

*Beloved, let us love
one another, for love
is from God, and
whoever loves has
been born of God
and knows God.*

~ 1 John 4:7

ADMINISTRATIVE & PERSONNEL...

The Administrative and Personnel Committee will be working with Session to reorganize committees and reduce the number of Elders for 2021. Currently, there are eight committees with an Elder assigned as chair and co-chair to each committee. Starting in 2021 the committees would be restructured by emphasizing four areas:

Stewardship (Resource Management Committees)

1. Administrative & Personnel
2. Business & Finance; Stewardship
3. Property & Equipment

Proclamation (Word and Sacrament Committees)

1. Christian Education; Worship & Music

Hospitality (Path into Church and Out to the World)

1. Mission & Outreach; Membership

Pastoral Care

1. Deacons; Parish Nurse

FEBRUARY OUTREACH OPPORTUNITY...

During February, the Mission and Outreach Committee is collecting donations of soap—any kind, any size—for Ministry on the Margins (MOTM). All types of cleaning products, from personal hygiene products to laundry products are welcome. Keeping in mind that some of the people served by MOTM may be homeless, the smaller, individual-sized products are also appreciated. Donations will be gladly accepted at the church anytime during February.

Ministry on the Margins was founded to help support people who fall through the cracks during transitional times—especially during the re-entry into the community from prison. First Presbyterian has supported MOTM in the past through hosting Thanksgiving Dinners, Tree of Love donations of sleeping bags, and previous soap collections. Your generosity is greatly appreciated by MOTM.

ASH WEDNESDAY SOUP SUPPER...

Please join us for a Soup Supper on *Ash Wednesday, February 26th in the Parlor*. Soup, coffee, juice and water will be served. Please come and partake in this feast prior to attending the Ash Wednesday service. There will be a sign-up sheet for the congregation to sign-up to bring their favorite soup to share. Committee members and youth will also bring soup. However, even if you don't bring soup, you are encouraged to come. Soup will be served from 5:30 p.m. to 6:45 p.m.

The Ash Wednesday Service will begin at 7:00 p.m.

PRAYER SHAWL MINISTRY...

FEELING COLD? The Mission and Outreach/Prayer Shawl Ministry have places shawls in the back of the Sanctuary for anyone to use during the service. Please feel free to use one and then place it back in the basket on your way out of the Sanctuary.

DOWNTOWN HIGHER POWER LUNCH...

The February Higher Power Lunch will be held on Wednesday, February 19th, at 11:30 a.m. in the Parlor. As we continue with this Outreach activity in 2020 the HPL Team wishes you to know how grateful we are for your support. Each month we appreciate our family members who volunteer to make this a valuable experience for those present. Our February HPL will have Gloria Blanco as our Speaker. Gloria Blanco was born and raised in El Paso, TX; earned an engineering degree at Texas Tech University; and has enjoyed a 23-year career in the oil and gas industry.

She is currently the Operations Manager at Marathon Petroleum's refinery in Mandan. Her career has taken her to five U.S. refineries; gas plants, pipelines and trucking terminals; and to corporate headquarters, including an international assignment in London, England.

Gloria earned a Certificate in Ministry from the Austin Presbyterian Theological Seminary and for the past 10-years has worked with Living Water World Missions to install clean water systems and spread Christian fellowship in Central America.

Gloria is married to Pete Emerson. They are honored to be members of First Presbyterian Church, where Gloria serves as a Deacon.

Join us for lunch, you can register at www.fpcbismarck.com/higher-power-lunch.

NURSE'S NOTES....

Conditions That Affect Your Kidneys According to WebMD

Chronic Kidney Disease (CKD): When health problems affect your kidneys, they can cause CKD. This is permanent damage that may get worse over time. If they're damaged that they stop working, it's called kidney failure, or end-stage renal disease (ESRD). The treatment is usually either dialysis—when a machine does the work your kidneys normally do, or a transplant—when you get a new healthy kidney from a donor.

Diabetes: This leading cause of kidney failure damages the organs' small blood vessels and filters. That makes it difficult for them to clean your blood. Your body holds on to more salt and water than it should, and there's more waste in your system. Nerve damage caused by the disease can make urine back up and harm your kidneys through pressure or infection.

Anorexia Nervosa: People who have this have an unrealistic body image. They don't eat enough to stay at a healthy weight. (They weigh 15% less than they should.) That leads to a lack of water, electrolytes, and salt in the body, which can cause chronic kidney disease and eventually, kidney failure. This is especially true for people who binge-eat and purge (vomit or use laxatives) to get rid of calories.

High Blood Pressure: If the force of blood flow through your body is too high, it can stretch and scar—and weaken—your blood vessels, including those in your kidneys. This keeps them from getting rid of the waste the way they should, thus the extra fluid in the blood vessels can raise the blood pressure even more, leading to a dangerous cycle. Treatment includes medication and changes to the diet, exercise habits, and stress level.

High Cholesterol: Too much bad cholesterol can build up in the vessels that carry blood into and out of your kidneys and that can affect how well they work. High cholesterol causes high blood pressure and diabetes. A blood test can tell you if your cholesterol level is too high.

Lupus: This disease makes your immune system attack certain parts of your body. When it affects your kidneys, it's called lupus nephritis. It causes inflammation and scarring of the small blood vessels that filter waste out of your kidneys, and sometimes in your kidneys as well. It's treated with different medications: some affect your immune system, while others help control your blood pressure or get rid of swelling and excess fluid.

Multiple Myeloma: This kind of cancer involves the white blood cells (plasma) that help you fight infection. The cancer cells build up in your bone marrow, where they crowd out healthy blood cells and make abnormal proteins that can cause kidney problems. More than half the people with multiple myeloma also end up with kidney problems.

Hemolytic Uremic Syndrome: This happens when small blood vessels in the kidney and other organs get damaged. That can eventually cause kidney failure. It happens after 5—10 days of diarrhea, usually brought on by an infection, like from E. coli bacteria, or certain medications. Most people recover if it's treated quickly. See your doctor if you have several days of diarrhea, aren't peeing often, and are very tired. You also may get bruises or unusual bleeding.

ANCA Vasculitis: This is when your own antibodies—which usually fight germs—attack the small blood vessels in your kidneys and other organs. It may lead to blood and protein in your urine and can cause kidney failure. You may have fever, body aches, joint and muscle pain, and brown, tea-colored pee.

Urine Blockage: If you can't pee, that can mean urine is backed up, and that can damage your kidneys. It can cause pressure and lead to infection in your kidneys and other parts of your body. An enlarged prostate,

NURSE'S NOTES...

prostate cancer, kidney stones, bladder cancer, urinary tract clots, and colon cancer are some of the things that can cause this. See your doctor if you're peeing much less or much more often than usual or if you see blood in your urine.

Blood Clots: Many conditions can cause blood clots, but a blood disorder—thrombotic thrombocytopenic purpura—is commonly linked to kidney problems. It causes clots in tiny blood vessels that also can affect your brain and heart. Symptoms include fever, bleeding from your nose or gums, diarrhea, chest pain, confusion, headache, bruising, and feeling very tired. It can be serious if it's not treated quickly, so see a doctor if you have any of these signs.

Scleroderma: This is a group of rare diseases that make your skin and connective tissues hard and tight. It can sometimes also harm other things, like blood vessels and organs. If it affects your kidneys and they don't work the way they should, they can let protein escape through your urine. It also can cause sudden increase in blood pressure that can lead to rapid kidney failure.

Polycystic Kidney Disease: This causes cysts—small sores often filled with fluid—to grow inside your kidneys. This makes them much larger than they should be and damages their tissue. It's caused by problem genes you get from one of your parents. If it's not diagnosed and managed soon enough, it can lead to chronic kidney disease and, eventually, to end-stage renal disease.

February Joke:

A girl potato and a boy potato had eyes for each other, and finally got married, and they were blessed with a little sweet potato, which they called Yam. Of course, they wanted the best for Yam. They had lots of good advice for her. They told her to exercise so as not to be skinny like her Shoestring Cousins. When she went off to Europe, Mr. and Mrs. Potato told Yam to watch out for the hard-boiled guys from Ireland, and the greasy guys from France called the French Fries. She went to the best high school in Idaho. She was the Spuds best cheerleader. She graduated from Idaho Potato High School with honors. Mr. and Mrs. Potato sent Yam to Idaho P. U. (that's Potato University) so that when she graduates she'd really be in the Chips. But in spite of all they did for her, Yam came home and announced she was going to marry Tom Brokaw. "Tom Brokaw!" They exclaimed. Mr. and Mrs. Potato were very upset. They told Yam she couldn't possibly marry Tom Brokaw because he's just.....WAIT FOR IT.....a COMMONTATER!

CHILD CARE CENTER BOARD...

THE CHILD CARE CENTER has completed the challenges for 2019 and are ready to start our new adventures and challenges for 2020. The Annual Meeting for the First Presbyterian Church is complete and our annual report has been reviewed and our finances for the year of 2019 were in a net income for the second year in a row. We as members of the board and staff members of the child care center are very pleased with the final results.

Secondly we would like to welcome our new members to the Child Care Center Board they are as follows: Jan Gilchrist, Tami Morey and Carole Watrel. Our other members of the board are Ella Gutzke—Chair/Elder, Becky Rosenkranz—Secretary, Paul Ronningen—member, and Sarah Rixen—Parent Representative and Newsletter Article Representative. If you have any questions or other information regarding the Child Care Center any of us would be happy to answer your questions or concerns. If we don't have the answer we will find the answer and get back to you as soon as possible.

Thirdly our challenges have already begun with our washer and dryer needing to be replaced. Shawn, Director and Vanessa, Asst. Director, did all the research and purchased a stacked washer and dryer which was delivered on January 24th, 2020 and installed. Two of our staff members in the center took the laundry home and washed them at home until our appliances were installed. We thank you for taking the incentive and dedication given to the center. We appreciate your extra steps you give to the Child Care Center.

Fourth but not last, we are looking forward to the new 2020 with the events we are planning and other challenges that we will be given from regulations to looking for staff to fill positions to contacting families from the waiting list.

Last but not least, if you wonder where you would like to donate something large or small, the child care center can always use paper towels, Kleenex and bleach. Thank you to all those who have contributed to the Child Care center we appreciate your kindness and compassion for our children and center.

BELLFEST BOUND...

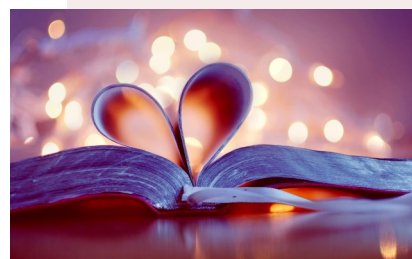

On March 6th, Westminster Chimes will be loading up their bells and tables and chimes and mallets and heading to Minnesota to attend *Bellfest 2020*! This massed ringing event brings together many handbell ensembles from across the upper Midwest to ring under the direction of a guest conductor and perform a concert together. The repertoire, learned ahead of time, is rehearsed in this massed setting where we receive a hands-on education in new techniques and better our ringing skills. The five required pieces are used in our church services as well.

If you happen to be near the North Heights Lutheran Church at 1700 Hwy 96 W in Arden Hills, MN at 3:00 p.m. on March 7th, you are invited to come

A BIG BELL THANK YOU...

Westminster Chimes would like to thank the Worship and Music Committee for providing the purchase of a larger handbell table. This much needed item provides more room and stability for our bass ringer, Jim, as he handles up to seven 8—10 lb bells. A big thank you also goes out to Linda Tonolli for using her sewing skills and transforming an extra red corduroy table skirt into a form-fitting top for the new table.

CHRISTIAN EDUCATION...

Hello February!! Many people say that January feels like the LONGEST month of the year. As a C. E. Director, January went by in the blink of an eye!!

Our PAC kids, just completed their lesson Series on *The Fruits of the Spirit* and will now begin their lessons on *The Lord's Prayer*.

The PresbyTeens started a 6 week series on *Who Am I?* Based on building a closer relationship with Jesus. Our Confirmation Youth are continuing with their service projects and starting to work on their Faith Statements with their parents and mentors. They will be meeting with Session in April, and Confirmation Sunday will be on May 10th.

We are still in **GREAT** need of teachers for Sunday School and Wednesday Night PAC. Please let me know if you are able to help!

We have some amazing new events that we are planning this spring/summer so stay tuned for all the fun details!

Charee

Family Sledding Day February 16th from 3:00—5:00 p.m.

Please join us at Century Park from 3:00 pm—5:00 pm for this fun family day of sledding. Bring sleds, dress accordingly, and be ready to have fun!

Kids Sing in Church Day February 16th

Our Sunday School youth will be singing in Church on Sunday, February 16th. Please have your youth at the church on the 16th by 9:20 for one last rehearsal before the big show! We look forward to seeing you all there!

Ash Wednesday Soup Supper and Worship Service February 26th, 2020

**Soup Supper will be from 5:30 pm—6:45 pm
Ash Wednesday Worship Service—7:00 pm**

The Christian Education Committee and our Youth are sponsoring a soup supper on *Ash Wednesday, February 26th in the Parlor from 5:30 p.m.—6:45 p.m.* Soup, desserts, veggies, coffee, juice and water will be served. Please come and partake in this delicious feast prior to attending *Ash Wednesday Worship at 7:00*

CHRISTIAN EDUCATION

p.m. There is a sign-up sheet for the congregation members to sign-up to bring their favorite soup, dessert, veggie trays and bread choices. We encourage everyone to join us, even if you are not able to bring something to share.

FAMILY NEWS...

Our deepest sympathies to the family and friends of those who have passed:

Doris Doolittle

“And ye now therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no man taketh from you.” ~ John 16:22

FEBRUARY FUN FACTS!

- ◆ Birthstone: Amethyst
- ◆ Flower: Violet
- ◆ Astrological Signs: Aquarius (Jan. 20—Feb. 18); Pisces (Feb. 19—Mar. 20)
- ◆ February is the shortest month of the year.
- ◆ Named after the Latin word, Februum, which translates into “Purification”.
- ◆ February is the only month of the year that can pass without a full moon. This doesn’t happen often but February did go without a full moon in 2018!
- ◆ February, March and November are month twins! The three months always start on the same day of the week, unless February has a Leap Year. During Leap Years, February has a month twin of August.
- ◆ Before 2002, Super Bowl Sunday was held the last Sunday in January, but since 2002 it is more commonly held the first Sunday in February.
- ◆ 1st week of February: African Heritage and Health Week.
- ◆ American Heart Month
- ◆ Black History Month
- ◆ Chocolate Lovers Month
