

37th Minnesota Doll Jamboree Display Doll Registration Form

Displaying Our Dolls: Endless Possibilities

Saturday October 12, 2024
8:00 AM to 3:00 PM

Welcome to the 37th Minnesota Jamboree! This year is all about vignettes: creating and photographing them. Please share your favorite displays with all the background, props, furniture, food, and accoutrements you have. Any dolls, any eras. Everything from the 1800s to today.

It would be too hard to list every item in your display, however, we still need some information. Please complete parts 1 and 2 of the attached form per the below instructions. Complete a separate form for each display you plan on bringing. If available send a picture of your display(s) with each form.

- Part 1 – Overall Display Information – This is the general information for your display. It will help us plan and set up the display room.
- Part 2 – High Value Display Items – This should include all items in your display you determine are of high value. It could include dolls or accessories. This information helps us determine total insurance coverage.

As always there will be a security guard in the display room and all dolls and accessories will be insured. If you have any questions, please contact Carol. Thanks for being willing to share!

In order for your doll(s) to be insured this registration must be received by **September 18, 2024**.
