### January 2019 Publicity

When God told King Solomon to ask for anything in II Chronicles, he asked for wisdom and knowledge, not for wealth, possessions, honor, health, or a long life. These intangible qualities given by God would help him rule God's people according to His Word. Wouldn't it make a great New Year's prayer, to grow in the knowledge and ability to boldly honor and defend God's Word to our family, friends, and the world, and remain His humble servant? May God grant us this strength! Happy New Year!!

## **THANK YOU**

Dear Brothers & Sisters in Christ,  
Thank you for your gift of \$1,000. Which was recently received in our office to support the work that we do each day with Iowa families in need. Your gift encourages us to move forward in service to others, trusting that God is opening doors to connect us to those in need of support and counsel during times of great need and brokenness. We continue to boldly proclaim the message – so amazingly demonstrated that first Christmas – that no matter what the circumstance “with God all things are possible!”

Sincerely, Rev. Max Phillips
