To whom it may concern:

Louisiana Senior Olympic Games (LSOG) is a nonprofit organization that improves wellness and quality of life for people age 50 and above through sports and physical training. We plan, promote, and conduct a State wide games competition event which includes field & track; pickle ball; golf; bowling; shuffleboard; race walking; tennis table; and many more complete events. Over 2,000 athletes and 400 volunteers will participate in games this year.

LSOG held the First Senior Games in 2001. Since that time LSOG has been able to expand the games, and increase participation to current levels largely through private funding. LSOG relies solely on local funds to support the Games.

Since we rely on local support and fundraisers to finance this event, we hope you will consider purchasing advertisement again this year. Thank you for your support. The seniors in our community will also appreciate your support for this event.

Sponsorship funds will assist with promotion, purchasing equipment, and providing clinics for participants. LSOG's mission is to provide quality competition games for adults 50 and older in a safe environment.

Sponsors will have opportunities for visibility and promotion in the rules book; displaying their banners at certain functions; have staff volunteer to assist and wear the company T-shirt and at some functions set up exhibit booths.

Sincerely,
