What is Foot Golf?

An emerging game that mixes soccer with golf, FootGolf has made its way to Canada, after gaining popularity in Europe where the Inaugural World Cup was held in 2012, and in the U.S. The game is basically played the same way as golf, only with a soccer ball, shorter hole lengths, and of course a much bigger cup.

FootGolf is a lot of fun for the whole family and groups of all ages. It is also a great activity for team building, fundraising, team and corporate parties as well as birthday celebrations. Woodside Greens Golf Club is a proud member of the [Canadian FootGolf Association](#).

What does it cost to play?

Foot Golf is a very affordable activity you can do with your family. The cost is \$14.00 per person or just \$50 for a group of 4 (includes tax). All Woodside Greens Golf Club members can play FootGolf as their membership includes FootGolf.

Rental Soccer balls are available for just \$2.00 or you can bring your own.

There are 10 Basic Rules to FootGolf

1. Wear comfortable shoes, golf attire or comparable comfortable clothing or even your soccer jersey!
2. Your ball must be easy to identify.
3. Review the scorecard and wait for your turn. Make sure your kick will not interfere with other players.
4. The ball must be played in a single movement. Your foot should be set separate from the ball, clearly behind, before the kick.
5. Wait to play until the ball has completely come to rest. (It is not legal to stop the ball from rolling with the wind).
6. Kick off your ball from a position up to two meters behind the round markers (tee markers). The order is established based on the score of the previous hole. The player with the best score will be the first to kick off on the next hole followed by the second, etc.
7. Play the ball from where it lies; The player is not allowed to move the ball or remove jammed objects. – Exception: You may mark the spot and lift the ball when it may obstruct the other players kick or ball in any way.
8. The player farthest from the hole is the first to kick the ball.
9. If the ball lands in a water hazard, retrieve or replace it within two steps from the closest land point from where the ball entered the water, receiving one penalty point, or you can place the ball at the position of the previous kick and receive one penalty point.
10. Only on the greens may the balls be picked up to be cleaned or replaced. – Regardless of the distance from the hole, the hole must be completed. “Giving” to the opponent is not allowed.

The game is played on the front nine on Mondays, Fridays, and Sundays after 4pm, and booking a tee time, works the same way as traditional golf. The course can be shared with ball golfers; it takes approximately 1 hour to play a round of nine holes.
