

Dear Member,

**Reference: Changes from September 2019**

Due to increases in the cost of our training venue, it is necessary that from 5<sup>th</sup> September 2019 to collect the training fees on a monthly basis.

We are being directed as a Club to adhere to the GDPR regulations therefore we have invested in an online payment subscription system where you will register and be responsible for the upkeep and setting your Direct Debit up. Whilst we understand that this is a change from the norm, we feel this is the way forward.

We will need to set up an additional training night for new members as we have many on the waiting list, we will enable us to improve our training structure, benefiting the development of our players and opening up more opportunities for the girls with things such as Elite pathways.

Additional there will be a 5 to 1 ratio coaching session each week which will involve 5 different players with 1 coach, focusing on the technical aspect of the game, tailored to those 5 girls.

**What are the benefits?**

Training time from year 3-seniors will increase to 1.5 hour a session

Training will run for 43 weeks a year instead of 34 weeks. The monthly fee is calculated from the 43 weeks and pro rata with payments taken over a 12 month period.

Monthly Direct debit set up for payments

No weekly Training subs

Monthly newsletters with events and information coming up

A new and improved website

Online kit ordering

The costs will be as follows:

Year R-2: **£18.00 per month**

Year 3-9: **£23.00 Per month**

Year 10-Seniors **£23.00 per month**

Subsequent siblings monthly fee will be reduced by £5.00 per member.

Please bear with us during this transition, this is a big change for the club and may experience a few teething issues!

Thanks!
