BLUE STAR MOTHERS OF AMERICA

The Capital Region NY2 Blue Star Mothers is a non-partisan, non-political organization. We do not support any political candidate, nor do we endorse any religious organization. The military represents all aspects of America, as does our organization. We are mothers who now have, or have had children honorably serving in the military. As we support our military, we develop a strong bond to each other. We support each other in times of stress and celebrate together our happy times. We are proud patriots. We are a non-profit (501(c)3) Veterans service organization supporting our military while promoting patriotism.
