**A note from Rick:** Steady markets at TLA this week. The only significant change was in the calf market. Bull calves and crossbred calves were considerably stronger. The Morgan Classic Sale on Saturday was a dandy. We had several highlights throughout the sale and the market was very strong. The top ten horses averaged \$24,200 and the top twenty averaged \$16,705. This was our fourth event using the new stalling barn and it is working very well. The building is doing everything we had hoped it would and appreciate all of the compliments. We still have a few little things to add on and finish up, but all in all we've completed the project. Looking forward to putting it to the test in October. The Classic Six Horse Hitch National Finals was in Shipshewana last week and it was a huge success. The top 12 qualifiers brought their A game all week and put on quite a show. Congratulations to Young Living Percherons and Jackson Fork Percherons for their first and second place finishes. We were proud to be a major sponsor and a part of the show. Our sympathies are with the Draft Horse Community and the Honsberger family on the loss of Larry Honsberger. He was a huge presence in the Classic Series and was a supporter of TLA as well. He will definitely be missed. We have a few short weeks before the Fall Friesian Classic and the Fall Draft Horse Auction. We are preparing for a couple big sales and we hope to see you at TLA.
