

**District 23 Republican Committee Executive Committee Policy:  
Review and Approval of PC Resolutions  
Originally approved March 8, 2017. Amended April 8, 2017.**

In order to avoid the inclusion of defamatory or unsubstantiated content, all resolutions submitted to the Executive Committee shall be subject to review and approval before any further consideration of the resolution by the District membership.

To allow this review process to be conducted before reaching the 10-day deadline requirement for notice to the District membership before a vote by the membership would be held, all proposed resolutions must be submitted to the Executive Committee at least 7 days prior to the 10-day deadline date, that is, 17 days before a vote by the membership would be held.
