

## PSC COVID19 Guidelines 2020

Updated May 28, 2020

### **Generalized Rules**

- Club hours:
  - Soft opening June 3, 4 & 5 4 pm - 8 pm (this is for all **PAID members**)
  - Starting Saturday June 6th **Sunday – Thursday** 12pm - 8pm, **Friday and Saturday** 12pm – 9pm
  - Lap Swim 11am – 12pm daily
- Due to need for social distancing supervision, all members 13 and under must be accompanied by a parent / guardian / caregiver.
- To ensure our Poland Swim Club Members get priority use of the pool, NO guests or parties will be permitted at this time.
- After discussing with the Board of Health and on their recommendation, **limited chairs** will be out under the umbrellas. However, they cannot be moved. Please bring your own chair or blanket for additional seating, if needed. Chairs must be cleaned by members before and after use. Chairs / blankets **must** be placed 6 feet from other families.
- No lost and found this summer. Please be sure you take home what you bring. All left personal items will be discarded at the end of the evening.
- Currently **not open** as per board of health guidelines: Basketball court, Gaga Pit, Play yard, Sandbox, Bocce Court, Drinking Fountain, Rental Lockers and Showers
- All social functions and raft night will currently be suspended.
- Diving Boards will be open. Practice 6 foot social distancing in line. Markers will be on the cement.
- Members must practice social distancing in and out of the water. We want members to have a good time and be able to socialize with friends and other members. However, the six-foot rule must be followed.

### **Sanitation and Safety**

- Stay home if you are sick or do not feel well.
- Although masks are not required, they are encouraged when entering the club and interacting with other members.
- Staff will be screened via temperature checks prior to starting work.
- Six foot social distancing will be enforced on all club grounds and in the pool.
- Sanitation stations will be noted throughout the club in common areas.
- To avoid cross traffic, the pool deck will be one way this year. After entering the club, proceed to the right and continue to follow arrows around the pool.
- There will be a designated sanitation / maintenance worker at the club. Their duties will mirror guidelines set forth by the state for cleaning. These include but are not limited too: bathroom cleaning max every two hours, cleaning high use areas such as railings, guard chairs, ladder handles, etc every two hours.
- A limited number of guests will be permitted in the club at one time.
- There will be no shared items, including life jackets. Members must bring their own life jackets and goggles.

### **Snack Bar**

- Our snack bar will be open for the 2020 season under the new guidance of Janet Donadio. She and her staff will be following all requirements set forth by the state and health department. They will have Servesafe and COVID 19 training.
- The snack bar will be a ONE WAY direction where you enter from the rear by the baby pool and play yard and exit to the right of the ordering windows. Signage will be noted and social distancing will be enforced in line by markings on the cement.
- Picnic tables will available for use. One family per table and we ask that you wipe down after use.
- All snack bar items and times of operations will be determined and posted by the operator.
- Per Board of Health guidelines, vending machines will be unavailable at this time.
- The club shared grill will be closed.

### **Swim Team**

- The YSL has cancelled all summer swim meets.

- We are currently working with Coach Kendra and Coach Nico to develop a fun summer training program. More information will be available at a later date.

### ***Tennis***

- There are **no guests** permitted. Only PSC members are permitted to use the tennis courts.
- Starting Monday June 22nd, the tennis team will have the courts from 9am to 3 pm daily for practices. This will change the week of July 7th as the tennis team will only have the courts on days (usually Monday and Wednesdays) that they don't have matches. These times and dates are subject to change. Please check with management.
- The courts are also reserved in the evenings for doubles league.
- Because of both cost and uncertainty of future summer events, the board opted not to open the clay courts this season. However, we did purchase during the off season a synthetic overlay court for one of our hard courts. This will be installed in the near future and should make one of our courts look and feel brand new.
- The tennis team will participate in a season with matches against other clubs. Practice is tentatively scheduled to begin on June 22 with matches to start on July 7th. New head coach Adeline Schweers and assistant coach Ally Andrews will have more information in the coming weeks. Tennis team numbers will be limited due to court restrictions. Preference will be given to previous tennis team players.
