

Bradley Hills Presbyterian Church Nursery School
Stay & Play
an Afterschool Enrichment Program
2016-17 School Year

BHPCNS' selection of Stay and Play classes will enrich and enhance your child's afternoons. Each day, Stay and Play classes will include a play-based, age appropriate, fun and creative lesson, snack, and time for playing in our classrooms and on our playgrounds or in the Rainy Day Room. By participating in these classes, your child will explore and learn about the worlds of art, dance, science, cooking and more.

Stay & Play classes will begin on Tuesday, September 19, 2016. This optional afternoon enrichment program is for three and four year olds and classes are held each day, Monday through Friday, between 12:30 and 2:30. Children transition seamlessly from their classrooms to their Stay and Play class.

Applications are now being accepted in the Nursery School Office. Class size is limited and we reserve the right to cancel a class due to low enrollment. In addition, all children accepted into Stay & Play **MUST be fully toilet trained.** **There will be no exceptions.** Acceptance is based upon a first-come, first-served model with the exception of the dance themed Stay & Play. For those applying to the Wednesday Bradley Bear Dance Company, priority placement will be given to those students who are enrolled in our Monday/Wednesday/Friday morning programs.

The first month's and/or semester's Stay & Play tuition payment is due in September. You may include this amount in your regular tuition check. Make checks payable to BHPCNS. With the exception of dance, once enrolled your child is considered enrolled for the entire school year. The Bradley Bear Dance Company is considered a "semester" class and you must enroll for the full semester. You may withdraw your child from any program by giving the office written notification. No refunds are given for school closings or absences and there are no make-up classes. In addition, no refunds for semester-run classes will be given for withdrawals after the first month of attendance.

The Artist's Corner: Painting, drawing, and sculpting take center stage during this class developed by BHPCNS' very own artist in residence, Nancy McCullough, aka Mrs. Mac 'n Cheese.

Wigglin' Wizards (Science): Our little wizards explore the world of science with plenty of hands-on experiments, forming hypothesis and discovering their outcomes, creative crafts, and amazing scientific inquiries.

Bradley Bear Dance Company: Girls and boys will stomp, leap, and plié while they learn the basics of modern dance, ballet, jazz, and other dance styles. Each semester ends with a recital. *(This is a semester class.)*

In the Kitchen with Bradley: We'll be cooking up a storm, learning about ingredients, following directions and doing a lot of "sciencing" as measure, mix and pour. Oh, we'll also be doing a lot of yummy eating!

Where in the World is Bradley Bear?: You never know where Bradley Bear will land, but we will have fun in this geography based program exploring the countries, their cultures, their unique attributes, and foods.
