Thank you for your interest in becoming a Class of 2015 Spokes Model for Whitt Photography. Spokes Models for Whitt Photography exclusive models and spokes persons for Whitt Photography. You will assist us in marketing to your classmates, while earning credits for your senior portraits. You will be photographed, free of charge, and then show your portraits to your friends, telling them about your experience at Whitt Photography and encouraging them to choose Whitt Photography for their senior portraits. This is unlike any other assignment in that the more you put in, the more you get out of it. The cool part is that you set your own hours, “working” while hanging out with your friends! Choosing the right studio is important in the look of your senior portraits. I hear all the time that “I really didn’t like the pictures I got at that other place. I felt rushed, and they didn’t care how I looked.” Whitt Photography takes the time to work you to create memorable images that you will love to show off to your friends and family. We do not rush you, taking on average an hour and a half to capture your personality in your senior portraits. We don’t take the quick or the cheap way out. We concentrate on personal service that you will enjoy and appreciate. At Whitt Photography you will receive quality service and images that never go out of style. We welcome your parents to be involved at every step of your portrait process if they wish. You will receive custom designed cards to hand out to your friends and classmates, an online show on facebook of your session’s images.

With signing this contract you are entering a year period with Whitt Photography Portraits. You portraits will not be taken by any other photographer while under contract, unless it is mandatory school pictures.

Senior Reps are students who represent Whitt Photography in exchange for credits toward the cost of their own senior portraits. It is possible for a rep to save hundreds of dollars on the cost of their own senior portraits by referring their friends and classmates to our studio for senior portraits.

As a REP you receive up to 3 mini photo sessions, from which we will print 45-50 rep cards of you to give out to your friends and classmates. When your friends or classmates have their senior portraits done and place the print orders at Whitt Photography, we ask them who referred them. When they give your name, or show us your rep card a \$25 credit is applied to your account for each referral to the studio. This referral credit applies directly toward the cost of your own senior portraits.

For example, suppose you refer four friends to Whitt Photography.....you will receive a \$25 credit for each friend, for a total of \$100 credit toward your own pictures! So, the more people you refer the more credits you get for your own pictures.

Obviously, this is an exceptional opportunity to have your portraits taken by Whitt Photography AND save a TON of money on your senior portraits. All we ask of you is that you help promote our work to your friends and classmates by handing out your REP cards to everyone that needs their picture taken.

~~If you are chosen for Whitt Photography's Senior Rep for your school you will be notified by phone. Thank you for your interest!!!! Just by applying for our Senior Rep position you will receive a free Session fee for your Senior portraits or family.

Senior Reps that are chosen will pay \$50 as a retainer and acknowledgment of responsibilities. This will also cover the cost of supplies and products that will be used during your own shoots. Whitt Photography will be spending more than 48 hours during the shoots, edits and one on one planning.

Our REP program is limited based on the number of students per school.
