Quotes:

“This student is a joy to be around. Always optimistic, even when dealing with many adversities that have been thrown her way. She is worldly and can adapt and thrive in many different cultures. She has an inner strength that has pushed her along and has been excelling at life. She is one who also looks out for the welfare of others, at times selflessly putting their well-being above her own.” **Donna Delamar** - SAHM

“Your donations provide military dependents like me, who have moved 19 times and have lived and studied abroad because of the military, a chance to prove just how strong and resilient we are in a higher education setting...Thank you, sincerely, from the bottom of my heart, for all the future opportunities you have provided me.”
