

Sign-in Roster ASCE-SIS Meeting

Date: September 20, 2018 Location: US Bank Building, 101 S Capitol Blvd., 2 nd Floor in Room 200. Duration: 1 hour	Title: New Officers, ASCE Region 8, Geotechnical Institute Announcement, BSU Graduate Program Presentation
--	---

Description:

We are pleased to have our Region 8 Governor, Larry Magura, in attendance to swear in the new officers and give an update on Region 8. Our meeting will also include a brief announcement regarding the new Southern Idaho Geo-Institute Chapter and presentation by Dr. Bhaskar Chittoori on the graduate program at Boise State University. Bhaskar Chittoori is an associate professor in the Civil Engineering department at Boise State University. He is primarily a geotechnical engineer and does research on chemical and biological stabilization of soils, advanced geomaterial characterization, sustainable and resilient geotechnical engineering. He is also the graduate coordinator for the Civil Engineering Department.
