

## CLEANING SUPPLY LIST

**CitrusSolve** - Citrus based (oranges), pH neutral (meaning it is not acidic or alkaline, but neutral), non caustic (non burning), all purpose cleaner.

**Comet Cleanser** - Used almost exclusively in toilets

**Magic Erasers** - Are made from Melamine and come from Germany

**Pure Lemon Oil** - Used for porous woods (antiques)

**Paper Towels** (provided by client); toilets

**Toilet Brush** - Clients when possible (more sanitary)

**Vacuum** - Vacuums are a breeding ground for bacteria, they are full of hair, dander, skin particles, even bugs; we use the clients vacuum when possible and ours when not

**Flat Mop & Cover** - Most floors we do by hand, large areas will be done with a professional shmop and a new cover.

**Cobb Webber** - Used for high, low, in between and behind work.

**Microfiber/Towels** - We use a color coded microfiber system (green-kitchen, orange-bathroom, yellow-dusting) and white terry clothes (for greasy soil). Use a fresh batch in each home.

**Grout brush** - Used for toilet hinges, faucets, window tracks, light switches, tight spaces.

**Razor Blade** - Good for stickers, paint drops & goobies!

**Oven Cleaner**- Used on non self cleaning ovens, stove trays and grates

**Degreaser** - This is not necessary for most maintenance cleaning. This is for very greasy areas, usually Move Out and Deep Cleans.

**Putty Knife** - Great for scraping in tight spaces. Can put a cloth over it and get between stove and counters or other tight spots that are difficult to reach.
