**WESTERN CONNECTICUT ACADEMY OF INTERNATIONAL STUDIES
ELEMENTARY MAGNET SCHOOL**

Hi Cori,

We were so lucky to have you come to our school and perform. The troupe was amazing! Our students, teachers & parents were all so impressed with their dancing and singing talents. They performed so many numbers from around the world complete with costume changes. I don't know how they were able to do it all! It was very obvious that your students had practiced many long hours in order to offer such a professional show. What also made it seamless was your technical crew who set up and broke down all the equipment in a flash and without a hitch. Everything was top notch!

The Galena Street East show was a highlight of all my experiences at AIS. I highly recommend your program to anyone!

Thank you again for coming to our school and sharing your talents with us. This was exactly what our students needed to lift their spirits.

Warm Regards,

Carolyn Onorato
