Sponsorship Opportunities

The Bitterroot Celtic Society is a community-based event with the primary mission of promoting education, awareness and pride in our local heritage and history. Nationally sanctioned competitions for Highland games, Highland dancing and Pipe & Drum bands draw world-class competitors from far and wide. Approximately 3,800 festival attendees and over 300 participants from outside the Bitterroot Valley attend the festival for these judged competitions.

In addition, representatives from Scottish and Irish clans and vendors specializing in hand-crafted wares, regional music and foods offer many opportunities to share stories and find out more about the rich history that we all share. The festival is held on the Daly Mansion Grounds, which serves as an ideal venue. There is something for everyone at this fun, lively family event, as it presents a unique reflection of all who call the Bitterroot Valley “home”.

We invite you to join in the warm camaraderie of this shared sense of kinship. Whether you are a business or individual, we ask for your commitment and partnership in the support of the 2019 festival. Your contribution, at any level, will support efforts to create an event in which our entire community can participate and promote with pride.
