It is up to the OWNER to schedule their sessions with the TRAINER. If the OWNER defaults in keeping that schedule without making other arrangements at least 24 hours ahead of time then the OWNER forfeits that session time while still being charged for the session. The sessions will vary from individual to group settings with sometimes the TRAINER having another Horse participate at the same time so that the OWNER can observe other types of Behavior and situations. OWNER is responsible for providing their own tools that the TRAINER recommends in the teaching and welfare of horses.

(a) OWNER may also have TRAINER do most of the interaction with their Horse during a session while the OWNER observes and learns.

Monthly charges for training and other incidental services are due each month prior to training.
