New Business: Reconsideration of Township Treasurer Resignation

Treasurer DeRosso requested that her resignation letter, which was given to the board on July 25, 2016, be rescinded due to the fact that she was pressured into resigning from an individual in the Township and had to get a Personal Protection Order on that individual for harassing her.

A motion was made by Brunello supported by Segalin to accept the request for withdrawal of DeRosso's resignation. Motion carried.

Trustee Maki asked DeRosso if she can reassure the Board that she will not resign before November 20, 2016, DeRosso stated she will to the best of her abilities.
