Happy Fall Ya all!

The Leadership Commission has been busy, I have a tremendous committee who has stepped up to the plate and hit a home run!! They have been working extra hard to get the bylaws and standing rules updated for your review at the November meeting. I have been absent for most of the fall due to my husband's injury. Bonnie Siegrist, Jeanne Audiss, Carol Harley, Becky Colombo, and Trish Christiansen have reviewed and revised them to make it easier to read and understand. We will be discussing our proposed changes at the November meeting. Please review them prior to the meeting, then come with concise questions and suggestions for discussion. Thank you, this is a difficult job and we need everyone's input for them to be revised successfully. If you like what we have done, then they can be approved at this meeting, so please review them carefully.

We will be working on the Convention guidelines next. We would especially like all those who worked the past 2 years conventions to give us their input. Again, please email or call me or any of the committee members with your ideas for the guidelines. We will consider all of your suggestions when updating the guidelines. The task is easier, if we know your suggestions for changes and additions prior to our working on revisions.

I want to thank all of my Council Sisters for your prayers, well wishes, and support during my husband's injury and recovery. He is doing as well as expected. He is working hard to recuperate; time & therapies will continue to be his best indicators of outcome. It has definitely been challenging and we are trying to find our new norm, but God is good and has blessed us. God has provided all we need and continues to direct our course on this new path. All things are possible with GOD!!

Gratefully yours in Christ!
