

A MESSAGE FROM PASTOR FRED

I thank God for the opportunity once again to report with so much gratitude God's accomplishments in the last quarter to the children, the school and church ministry through Fred's Kids. It is amazing what the Lord is doing in our lives. The kids are sustained through regular monthly support, and we were able to meet medical costs for our sick children including Hillary who was hospitalized for 1 week. Several kids, including high school students too, were replenished of wear and tear program school uniforms, shoes, and toiletry supplies.

It is in this quarter that we had one of our biggest gifts that has transformed the face of our school and improved service delivery to the learners. A kitchen has been built: from old to new. We cannot say enough but thank you. May God shower you with unusual favor and blessings.

Another big happening is the most recent provision of books for both the learners and the teachers. This is a great blessing indeed. We did not know what to do after new curriculum was introduced by the government but thank God Fred's Kids came to our rescue.

Our kids who had to nap on mats on hard concrete floor received their mattresses and today they sleep easy.

During a great loss of the wife of one of our Pastors, the entire congregation of 9 churches gratefully offered support which helped us bring enough chairs and tents to assist in the funeral.

We are blessed to see how God is doing miraculous and wonderful things in Migori, Kenya and ask you to join us in prayer for the students, teachers, staff and local churches. We firmly believe that God is moving in and through Fred's Kids and that the best is yet to come for Fred and his ministry. Thank you for your prayers and for your partnership!
