

Groove on over to Dixie Textile

We're Having a Disco Party

September 11th

This party is going to be packed with some of our grooviest vendors

Party from 10am—3pm

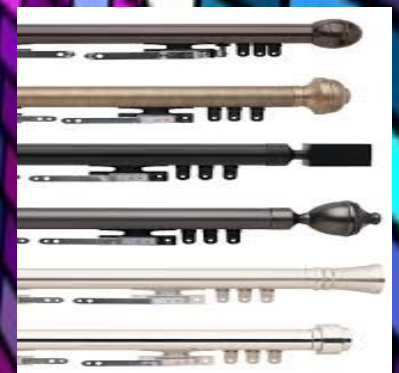

Come dance your way through the vendor tables and enjoy some food and drinks

We will also have two seminars at 10:30 and 11:45

Hunter Douglas has been the leader in window treatments for decades. Doug from Hunter Douglas will present all the new product, innovations and the ever growing product in motorization. You don't want to miss this opportunity to see everything that Hunter has to offer.

Come see and learn everything that Dixie Textile has to offer. We will be covering all of our products but our main focus will be on our custom travers rods. From bay windows, templates to motorized tracks. We will be answering all your questions.
