

*Hi Ivo,*

*I would like to thank you for helping us make our wedding day so memorable and perfect!*

*We are very thankful for everything you did for us; from all the help you provided with sound equipment and stage set up, to the requests you took and performed on our wedding day - everything was perfect! All our friends and family enjoyed every minute of our wedding day and much of that is thanks to your performance and help. Thanks for making it happen with no stress and such ease.*

*Please let us know when you play next because we'd love to come and see you again!*

*Yours truly,*

*Lisa*
