

God Bless Our Moms On Mother's Day

Love & Honor Your Mom

Honor your Mom
Today is her day
You only have one
And her work's never done

All that you are
That you will ever be
You owe to your Mom
For she gave birth to Ye

Mom brightened your day when you were blue
She taught you to dress and groom
Guided you and chided you
And made you clean your room

Mom fixed your cuts and scrapes
On your birthdays baked you cakes
She stitched your torn clothes
And mended your broken heart

If you still have your Mom treasure her this and every day
Show her your love in every way
My Mom has gone to Heaven I am glad she is with God
But I wish that on this Mother's Day I could hug her and say

"I Love You Mom"

God Bless You On This Mother's Day!
