From the President's Desk:

Not much from me this month.

As we enter into the winter months, the club is not bedding down to sleep! Look for announcements for shooting events, Jr's activities, our annual Christmas dinner, grounds maintenance projects, and the NEW seafood suppers!

We are looking for folks interested in selective bow fishing and in-season turtling in our pond, please call me if you are interested, 717-968-2544.

Many of you will be hunting, good luck to you (a new and exciting activity for Owen and I, many thanks to our mentor).

Look for the Trout committee report within, they are doing great, and we want to include as many club members as are interested. This is a new era for our fisheries program.

Be safe on the range and in the field. As always.....

Gary Swope

The annual *Christmas Party* Tuesday December 18th, at 6:00 pm.

There will be a brief meeting followed by a meal and blind auction.

Trout Committee

The trout are doing great! Good water temps and water flow are resulting in hungry fishies with a very low mortality rate. We have a team of folks doing the feeding on a rotating schedule, and welcome anyone who is interested in getting involved. It's really fun! You don't have to know a thing about them, we will show you the way.

Over the winter, we will be doing many activities, repairs and maintenance in preparation for spring stocking. We are looking to build the new trout program into an all club activity, so don't be shy, all are welcome to play, be it a lot, or just a little. Please contact Cindy Ness at 717-968-0159 if you are at all interested, or just curious.

Buildings and Grounds

Our last work detail of 2018 will be Saturday, November 17th at 9am. These are usually about 3 hours long and are a good opportunity to get to know fellow club members.

Legislative Section

We had fantastic participation from the divisions on the LWCF expiration letter. Most of the divisions signed on, and the letter ended up with over 200 sportsmen groups calling for reauthorization of LWCF. Thank you all for the hard work here and all the other places you invest it for the League! The final letter is attached. Here is a link to a press release put together by the letter's organizer, TRCP, that includes a quote from our own Les Monostory.

Other News

Orientations - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2018 and 2019 will be: Sunday, December 2nd, Saturday, January 5th, and Sunday, February 3rd. All of these are at 1:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse. Prospective new members should be reminded that our dues are by the calendar year now. If you join later in the year they are still \$110 per year and only through the end of 2018. We can hold completed applications until January 1st if you prefer.

E-Mail Request - Occasionally, there is a need to disseminate information faster than the newsletter allows, and a phone chain for 1300 members is just unreasonable to manage. Recent flood events are a good example.

Please, if you have an email address, add it to your contact info during the upcoming renewal season. We will not share this email with ANYONE, nor will we bombard your inbox with daily snippets and cartoons. This will only be used for urgent matters and committee requests, as indicated on your application.

If you wish to continue receiving your newsletter by snail mail, you may do so, our having an email address will not change that. Thanks

Seafood Dinners - Once again we will be having Seafood Dinners in January & March. If anyone would like to help or donate drinks (canned soda) or bottled water, it will help us increase profitability for our fundraising effort. Please drop them off at the Clubhouse, lower level. Thank You! Hope to see you there. Questions? Call Don at 717-873-4171

Renewals - Renewals will be coming out shortly in the mail. I will set up a date and time to stuff envelopes as soon as I receive them from Nationals. When you receive them, please send the pink copy along with your check. It is much quicker for me to scan your renewal, than to search for it in a list of 1300 folks. And as Gary asked in last months newsletter, if you can, please renew early. It takes a bit for Nationals to print the new cards and send them to me. Thank you Lisa

All ranges will be closed till 3pm-ish: December 16th

A quick note to all current 2018 advertisers. Please look in your mailboxes for a renewal letter for 2019 advertising options. You will all get the first chance to renew your spot for the next year!

Don't advertise with us? Interested?

Please contact me for prices and information or visit our website at: <http://www.yorkiwa.org/newsletter.html>.

Thank you to all the people who have been sending me photos & info to fill the newsletter, your help in making the newsletter a success is greatly appreciated. If you have any news to go in our newsletter please get information to me Friday morning before the board meeting each month. Feel free to email me at: iwlanewsletter@yorkiwa.org. Any questions call me at: 717-993-2900. Also if you take photos of events that happen at IWLA, please email them to me. If you have a new email or changed yours please let us know so we can keep it updated.
