

The July 25, 2022, Green Space Committee Meeting was called to order at the Beverly Shores Administration Building at 10:00AM by our President, Margaret Williford. Those members in attendance were Sandy Komasinski, Joan Solbeck, Barbara Vanecko, Ausra Zarins, Terry Bonace, Larry Stanton, and our Town Council Liaison, Susan Loeb.

The June minutes were approved unanimously.

Terry announced future work days on September 9th from 1:00 until 2:30 PM and September 16th from 9:00 until 10:30 AM. Barbara and Larry will provide cupcakes or muffins for those attending the event on the 9th and Ausra and Sandy will provide donuts and coffee for those attending on the 16th. Our communications chairperson, Sandy, will send an announcement of these events this week and again a week before the actual dates. Terry will explain the purpose of Green Space at the start of each session and how Green Space and ERG are working in tandem.

Terry is surveying lots to make a decision on those belonging to Green Space to choose appropriate locations for our stewardship efforts. Possibilities include a lot on the corner of Vera and Montana and #39 on Ripplewater.

Margaret announced that she had been in touch with a potential donor on Siesta and that the donor was moving along nicely.

Margaret had written a draft of a letter to send to owners of isolated lots in Beverly Shores who do not own contiguous lots to introduce Green Space and explain the possibilities for donating these lots. The letter could also be sent to owners of isolated lots adjacent to Shirley Heinze properties that might be deemed appropriate for donating. We reviewed Margaret's letter and Ausra felt that it was too long and detailed for a first contact and suggested revisions. We all agreed and chose to delete our emails and phone numbers except for Margaret's information. Sandy moved and Terry seconded that we send the letter from our PO Box and that Ellen forward any returns to us.

Margaret and Terry planned to visit a few potential lots South of Highway 12 before our next meeting.

Barbara will be in touch with a donor in North Carolina before our next meeting.

We agreed to meet again definitely on September 26th unless an earlier meeting is needed at the end of August.

Our meeting was adjourned at 10:30AM

Respectfully submitted, Barbara Vanecko
