

The Ft. Meade Community Covenant Council has launched a fundraising campaign for Ft. Meade's Centennial Year. Founded in 1917 as a recruitment center after the declaration of World War I, the post has continued to transform itself throughout a century of excellence and innovation. From saddles to cyberspace, Camp Meade to Maryland's largest employer, Ft. Meade is now the nation's center for information, intelligence, and cyber operations. Our vision is a year of celebration, commemoration, and education honoring this huge asset to our state and the men and women who have served there. We are working hand in hand with Installation leadership in this special endeavor.

Given we are a support group for Ft. Meade, we have no separate financial resources for our activities. Therefore, to make sure the importance of this installation is widely recognized and celebrated, particularly in the community, we have created a variety of sponsorship opportunities. Funds raised will be used for community outreach, events, and educational activities. We not only hope for your financial support, we also hope you will join us throughout the celebratory year!
