Motorcyclists singled out at Yosemite

On Oct. 20, the Yosemite National Park proposed a new fee structure for park entrance that would place a disproportionate and unfair financial burden on visiting motorcyclists.

Under the proposal, fees for passenger motor vehicles would increase 50 percent from \$20 to \$30. Additionally, the entrance fee for hikers, bikers and horseback riders would also increase 50 percent from \$10 to \$15. But, the entrance fee for motorcyclists would increase 150 percent, from \$10 to \$25.

You can view the [NPS' media release about the fee increase here](#).

The AMA believes singling out motorcyclists for a disproportionate entrance fee increase is unfair and discriminatory. Instead, we believe that, if the NPS plans to raise entrance fees, the increase for motorcyclists should be no more than 50 percent – in line with the other fee increases.

The American Motorcyclist Association has submitted comments to Yosemite, [which you can view here.pdf](#).

The public is also invited to an open house in the Yosemite Valley Auditorium, located behind the Yosemite Valley Visitor Center, on Wednesday, November 12, from 2 pm to 4 pm.

Once again, please let the NPS know that you do not support the proposed fee increase for motorcyclists by [clicking here](#), filling in the form at the bottom of the page and clicking the “submit” button.
