HOPE HOUSE NEWS

Jesus... Our ONLY Hope...

It is clear that our nation and world are deeply divided on opinions concerning politics... Jesus is the answer...

Why We Exist...

Emmanuel

For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince

of Peace. Of the greatness of his government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the Lord Almighty will accomplish this. Isaiah 9: 6-7

Please Send a Gift This Season... We are totally funded by gifts from people just like you... Please consider making a sacrificial gift to Hope House between now and the end of the year. Thank you for helping us pass Hope along.

Hope House, making community connections...

Hope House has been serving young ladies and babies in our community for over 16 years. We continue to be the "go to" place for young ladies and babies that need assistance in Kingsport and outlying areas.

We are very blessed to have many churches and individuals that support us financially. Recently, I had one our new moms (Tiffany) with me when I met with a donor. I shared with her that he had supported Hope House because he has a heart for seeing young ladies make real and lasting change in their lives. She was very pleased to meet him and to know that there are people who care enough to support Hope House and help her and her baby get on the "right track" in life. Later in the day she said I really like that man and I want him to know how thankful I am... Thankful indeed.

God has blessed us beyond measure. As I meet new volunteers and donors, it's great to brag on God and know that He will continue to bless Hope House.
