Deadline for the application and fee is June 1, 2019.

8. The space for your booth will be marked no later than July 3, 2018. Each booth sponsor is responsible for all necessary operating equipment such as extension cords, tables, chairs, signage, etc. It is suggested that booths have as little electrical equipment as possible due to the limited power supply at the park. NO AIR CONDITIONERS ALLOWED. Water availability is limited. Generators may be used if they are not deemed too loud by the Rogersville 4th of July Committee.
9. A refrigerated truck/cooler will be on site to provide ice that is for sale at \$2 per bag. Do not ask them to store your supplies.

10. Vehicles may drive to the booth space for loading and unloading, but you will have to move the vehicle to a regular parking space by 10:00 a.m. on the day of the show, July 4, 2019. This will be strictly enforced- towing, if necessary, at the owner's expense. Arrangements may be provided for those needing to make deliveries.

11. The Rogersville 4th of July Committee nor the City of Rogersville shall be held liable for any damages, vandalism, injury, or other occurrence during the time you or your booth are on the premises. There will be patrols throughout the evening of July 4th in the Food Booth area.

12. Should weather or other unforeseen circumstances not permit for the celebration to proceed, NO money shall be refunded. Your booth rent is a Retainer for your spot and you agree when signing this form.

13. **Any booth selling any item other than the ones pre-approved will be asked to close their booth and forfeit their application fee.**
