

SHRIMP FEST 2019

Saturday, April 27 | 5:30 PM

Shrimp Fest is here! Join us for an evening of delicious food, live music, and good company – our annual Norwegian Shrimp Fest or *Rekefest* is one of our most popular events of the year!

We import shrimp direct from Norway and get together to enjoy traditional *rekesmørbrød* or open-face shrimp sandwiches. Just like in Norway, we serve our shrimp chilled and whole, and part of the fun is peeling them yourself as you prepare your open-face. We provide all the shrimp fixins' and beverages are BYOB, so feel free to bring your favorite wine or other drink.

Anyone is welcome to join, but don't wait – this event is "first come, first served" and space fills up fast. **Reservations are required** by Wednesday, April 17th, so make yours now!
