

Andover Glen Gazette

Summer 2020

ANDOVER GLEN HOMEOWNERS ASSOCIATION NEWSLETTER - WWW.ANDOVERGLEN.ORG

IN THIS ISSUE

From the President

Welcome to the 2020 summer, which will surely be a different experience compared to past seasons.

I have been to a couple of lawn parties in the neighborhood where people felt okay to be outside, respecting safe distancing while enjoying each other's company.

While the Andover Glen board felt it was most prudent to cancel our annual picnic this year, we know that folks will still find creative yet safe ways to convene; we humans need that social interaction!

Happy 4th of July weekend, and please stay safe & healthy.

Have a great summer!

A Note from the Treasurer

We are well on our way to collecting and banking all annual dues, and thank you to all who have already provided their payment.

We have quite a bit of delayed payments, so please make sure to submit yours as early as possible if you have not done so yet.

You can drop your check in Ann-Marie's mailbox at 14163 E. Layton Drive.

The board has worked hard to manage balancing this year's budget for the Andover Glen homeowners' association.

Looking forward, we are hoping to have a memorable holiday party that all homeowners will be able to enjoy since we had to cancel several events due to COVID-19.

From the President

Brief comments and/or reminders from the President of the association

A Note from the Treasurer

Please don't forget your dues

Reflection from the Board

Confirmed for the June 12 weekend

Reflections from the Board

2020 has definitely been one for the record books. While we had to cancel the Easter egg hunt as well as the annual picnic due to the pandemic, we were still able to have the dumpster & shredder days.

The event was, as usual, quite a success. However, and as in past years, there are still a few people that do not follow the rules.

If we are going to continue having this event, everyone has to be more responsible and respectful of their neighbors by breaking down articles they are disposing of, breaking down tree limbs or branches, and helping to make room so everyone can benefit.

While many rites of summer may be different this year, we are lucky to live in Colorado where we can all enjoy the great outdoors with beautiful summer days and cool evenings.

Since schools closed in March due to the pandemic and with the onset of remote learning, summer seems to have begun earlier this year; just ask any parent with school age kids.

As a result, it is nice to see the parks being used more again, and more people going outside walking & jogging, playing tennis, riding bikes, walking their dogs, and having picnics, whether in Andover Glen or the surrounding neighborhoods.

On another note, Republic Services has now resumed normal operations and you can therefore use your own receptacles and trash bags again.

Lastly, one of the many good things about Andover Glen the obvious pride homeowners take in their property.

Thank you all and please continue to do your part in keeping our neighborhood beautiful and the value of our properties up.

Friendly Reminders

The onset of summer not only brings out those looking to have fun, but unfortunately and also a few looking for “opportunities”.

As with previous summers, there are some general things to be aware of:

- Keep garage doors closed and always lock your car doors.
- Do not leave your garage opener in your car.
- Pick up your mail every day - or rather every evening as the mail delivery has been delayed lately - as there have been reports of mail theft in the neighborhood.

As a side note and should you think of upgrading to a locking mailbox, you will not need an architectural approval if it is the same size and of a similar design as your current one.

- If you see any suspicious activity, please do not approach the individual(s), and instead report directly to the police.
- Please respect your neighbors by keeping noise levels down to a minimum, especially at night.

- Please do not feed animals, including squirrels and rabbits.

Teens Looking for Work

Caleb Cave is 13 years old and is available for yard work on a one time or regular basis.

He mows, pulls weeds and does other odd jobs. He has two years of experience and does a great job.

Claire and Caroline Cave are looking for babysitting, pet sitting, and other work opportunities.

They are both 15 years old, have been babysitting for the past three years and love to spend time with kids and pets.

Think of them for your date nights, mothers’ helpers or just to give you a break.

They can all be reached by calling their mother, Maegan Cave, at 720-830-3042.
