Moms Night Inn is an overnight retreat for moms or female caregivers who are raising children of ALL ages who are deaf or hard of hearing. It is an amazing way to meet and share experiences with other moms who “get it.” Woven into these moments are the connections you make - the experience of sharing your personal journey with another mom and hearing about their journey. Regardless of where you are on your journey, the choices you have made, or the choices you are exploring-there is the common bond of raising kids who are deaf or hard of hearing. It is a wonderful feeling to share our journeys together and our retreat makes this possible. Register today...spots are limited.
