## **Charity Request Procedure**

All requests over \$50.00 must follow this process. A member requesting the donation must provide information to the Recording Secretary (Marybeth Madigan), who will then read the charity request at the regular monthly lodge meeting. Once read it will be referred to the Charities Committee to be discussed at that month's charities meeting held on the second Tuesday of the month at the church.

The member making the donation request must go to the charities meeting that month to discuss the request in more detail and answer any questions the Charities Committee members may have.

The Charities Committee will then make a recommendation for donation to be presented at the next regular lodge meeting. At the next lodge meeting the Charities chairperson will advise membership of the request and Charities Committee recommendation and a motion. The motion will be discussed then a vote will be taken.

The member requesting the donation must give 2 regular lodge meetings lead time prior to when the donation is needed. One meeting to give the information to the Recording Secretary and be referred to the Charities Committee, and one meeting to announce the recommendation of the request to the lodge for discussion and vote.

**Next Charities Meeting is August 8<sup>th</sup> at 7pm**
