

To Purchase Ammunition Online:

Federal law requires that you must be at least 18 years old to purchase shotgun ammunition and 21 years or older to purchase handgun and rifle ammunition.

- We can ship ammunition to your door via **UPS**
- Use of known shipper, no third party
- No sales outside the U.S
- Ammunition shipped by air requires Hazardous Material (HazMat) classification and additional fees will apply.
- Ammunition shipments to Alaska and Hawaii **must** be by air.
- Ammunition and firearms **must be** purchased separately.
- For safety reasons, we **do not** accept returns on ammunition.
- **Always** make sure you use the correct ammunition for your specific firearm.
- Check your local laws for any other regulations before ordering.
- All sales over 100.00 that are being shipped to a residence will require an adult signature and are not allowed to be left at the door, fees will apply.
