

Leadership Report

It has been a quiet few months for Leadership. The Convention Guidelines have been completely revised and updated after the November DCCW meeting where changes were voted on and passed. The Guidelines are available online.

Leadership is responsible for providing an updated “Poster Session” flyer and a “Throw Down Challenge” flyer for the Call to Convention packet. That has been done and will be included in the packets going out to the CWC’s this week.

Respectfully submitted,

Dawn Haberkorn
Leadership Chair
